Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

BOOK OF ROMANS: EXPLOSIVELY ENHANCED

Larry Czerwonka Company, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The sole purpose for enhancement is for simple clarity. In this work, the King James Translation of the Bible is unchanged within its textual record. Punctuation and translator added words may be altered, but the sole purpose behind that, is for clear understanding by the reader. Since this book is a major doctrinal thesis, it is extremely important that the student of the word of God have a clear cognizance of spiritual truth. Drastic spiritual changes occurred at the resurrection of the New Creation Lord, Jesus Christ of Nazareth. Changes that are largely unknown, or at the least, unrecognized by modern-day Christianity. This work presents the reality that there are now three separate types of Human-Beings in existence, that are now living here on this planet, Earth. These three types of Human-Beings are: the Gentile, and the Jew, and the New Creation. Failure to understand this reality, will lead to spir-itual confusion, and religious insistence. Division will be the result, just as was the case in the scriptural letter that was addressed to the Corinthian church. This author desires that all Christians become fully aware of who they are now, after having asked Jesus of Nazareth to save them, and then direct them by his Holy Spirit, in their walk with God.
