Larry Adams, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Many times we read parts and pieces of Scripture and they have an interest level, but may not seem to tie together. Seeing how various parts of Scripture connect in purpose or focus helps us to understand that the whole of Scripture was really inspired by one Author. Several of the articles in Did You Ever Realize. recognize the connection between parts of Scripture that are not so obvious. Other articles dig deeper than many readers may have thought possible. The golden nuggets of insight are written to do just that. help you see and understand things you may not have realized before. Jesus taught many things by using contrast and comparison, and these nuggets are revealed the same way. For many of the articles the reader may see several applications to real life situations they have experienced, or are currently experiencing. For that reason there are no specific titles to most of the articles; this way the reader is free to be led by the Holy Spirit in applying them personally instead of how the author may have applied them to his own life. The articles cover many topics from just punishment, to coping with the death of a parent, to seeing a deeper love of God for the saint and sinner, to dealing with what to do while waiting and watching for the Return of the Lord. The articles will be challenging and serve to build your faith and help you in your walk with the Lord while you gain greater insight to God and His word.
