

Have You Anything to Declare?: A Note Book with Commentaries

Filesize: 1.52 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

FABER FABER, United Kingdom, 2011. Paperback. Book Condition: New. Main. 216 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.In a recent survey of Commonplace Books, John Julius Norwich declared the greatest of them all for my money is that of godfather Maurice Baring. His *Have You Anything to Declare?* has been on my bedside table since I can remember. Baring was fluent in at least half a dozen European languages, and they are all represented here; but he is generous with his translations and one is constantly amazed by the breadth of his reading. Coming from one of the masters of this form, as his annual *Christmas Cracker* , testifies, this is high praise. And it is deserved. One of the pleasures of dipping in to commonplace books is serendipity and in Baring s the quotient could hardly be higher. From Achilles to Xanthus, by way of Robert Browning, William Cowper, Goethe, Thomas Hood, Michael Lomonosov, W. H. Mallock, Skelton and H.G. Wells, just to take a few of the authors that enrich the journey, this is, as all commonplace books should be, one to refer to endlessly for the constant joy of unexpected knowledge and entertainment.
