Samson Creek was a tributary of the famous Eldorado, and on account of its proximity to fully exploited fields offered great promise of pay dirt. Britton took the ice-trail up the frozen Klondike, veered off to the right, and rounded the great, cone-shaped, snow-laden mountain in whose chasms the most noted gold streams, including the Bonanza, have their origin. He travelled fast, unimpeded by snow-crust on the white, glistening surface of the river, and on nearing the south branch of the Samson, overtook many who had started out before him. Got anything staked panted a miner, as Britton went by. Not yet, Rex answered. Then you can't get in, the man said. Why Britton cried impatiently. Why echoed his informant. Ge-mima!--why Look there! They had topped the glacial slope of the watershed and paused for breath upon the crest, overlooking the creek's bed. Britton...
