Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Your Marriage As this book goes to press, the old edition is still being recommended as valuable reading by many writers and lecturers, even though some of the problems discussed there have changed and many new facts need to be considered. The purpose of the revision is to make this useful book even more useful. There is also the desire to perpetuate the name of a pioneer in the field of family-life education. Norman E. I should first like to express thanks to my wife Martha. Her contributions have been both practical, in editorial advice and typing the manuscript, and inspirational because she is a wonderful wife and mother. No student of family life can overlook...
