Brand New Book ***** Print on Demand *****.Excerpt from Memorial Days: A Centennial Sermon This day shall be unto you for a memorial. - Exodus xii, 14. In our text the Israelites were commanded by God to commemorate the day of their independence. To the thoughtful mind there are many points of resemblance between the history of the United Tribes of Israel in one government, and the United States of America in one nationality. 1. They were of noble parentage - the children of Abraham, the friend of God. 2. From seventy souls they grew into a great and independent nation. 3. They were worshipers of the true God. 4. During the first part of their history they were kindly treated by the dominant power. 5. A king arose who knew not Joseph and his kindred. 6. He set arbitrary officers over them. 7. He imposed taxation without representation. 8. The more they complained, the more they were oppressed. 9. At length God undertook for them in justice. 10. God raised up a deliverer, Moses. 11. God gave him a commission to abolish their slavery. 12. The Israelites were slow and reluctant in accepting their liberty. 13. The demands of Moses were rejected by Pharaoh and his slave-holding partners. 14. God brought wasting and desolation on them. 15. The king finally gave full consent to their independence. 16. They became one people under one government. 17. They flourished greatly. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
