Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

The function is now one of the largest of its kind held in the United States and has assumed proportions of National significance. The orations here published, in response to the toast of Abraham Lincoln, were delivered by men distinguished for their eloquence, prominent in our National life and many of whom were personally acquainted with Lincoln. Their speeches, therefore, add valuable material and new and important facts to Lincoln literature. In the Appendix will be found speeches delivered at the Lincoln Dinners by former Presidents of the United States - Harrison, McKinley and Roosevelt - and by Hon. Hannibal Hamlin, Lincoln s Vice-President. This volume is published in the hope that the lessons of Lincoln s life, so eloquently portrayed in its pages, may prove an inspiration to the readers, and add to the love, respect and admiration that the world has always manifested for the far-seeing, lovable spirit of our martyred President, Abraham Lincoln.
