paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 334 Publisher: Machinery Industry Press. Pub. Date :2008-1-1. This is a train kids to manage their own plan of life book. She set interesting, entertaining and educational in one, entertaining and educational. Her interest in learning English among children, increase the child's extra-curricular knowledge, and urge children to complete a few things every day, their kids to start actively planning their own life. She was in the form of a calendar day, arrange a small amount of English content, so that children unconsciously accumulated a lot of English vocabulary and related knowledge. Her content is divided into two sections: one is the plate Monday to Friday, a day to arrange a vocabulary learning; another weekend of plates, mainly light entertainment and summary review. Editorial reference book and the new curriculum vocabulary using a variety of versions of existing materials, according to the daily life, learning, sports and other sections to be systematically organized. One or a few words every day, and words associated with the sentences, essays, songs, proverbs, background knowledge. Children can learn the same day it is difficult to remember or record the English word, and words for today the formation of cross-links inside the content, a deeper impression, not easily forgotten. Children home from school every day only take 10 minutes, you can remember a year more than 500 words, and the associated extensive. More importantly, over time, they can not only learn many ways of learning but also learn how to manage themselves. Contents: Imprint January January knowledge knowledge together - two of our common calendar travel around china around China - Kaifeng happy time relaxed moment - Hamburg month review monthly review...
