

Colloidal Silver: The Natural Antibiotic

By Werner Kühni, Walter Von Holst

Inner Traditions Bear and Company. Paperback. Book Condition: new. BRAND NEW, Colloidal Silver: The Natural Antibiotic, Werner Kühni, Walter Von Holst, Colloidal silver was widely used as a natural antibiotic and antiviral until the mid-20th century when its use was overshadowed by the development of pharmaceutical antibiotics. Now with the rise of antibiotic-resistant infections, colloidal silver has reentered the sights of medical researchers, alternative health practitioners, and those looking to take control of their own health. In this practical guide, the authors explore the many uses and benefits of colloidal silver for boosting immunity, reducing pain and inflammation, and treating more than 80 common diseases and conditions. They reveal how colloidal silver works against bacteria, viruses, and fungi, including strep, staph, and candida, often in a matter of minutes. They examine how it accelerates the healing of cuts and bruises and how it can also be used to treat our animal companions. They explore its use, with no side effects, in the treatment of diseases of the eyes, skin, mouth, respiratory tract, and digestive tract as well as in the treatment of cancer. Debunking concerns about colloidal silver and argyria, the "blue man" phenomena associated with silver intake, the authors...
