Reviews

Very helpful for all type of individuals. It is amongst the most incredible ebook i have got study. I am just very easily could get a satisfaction of reading a composed publication.

(Mikayla Romaguera)

FIGHTING FOR LIFE

The New York Review of Books, Inc. Paperback. Book Condition: new. BRAND NEW, Fighting for Life, S. Josephine Baker, Helen Epstein, New York's lower east side was said to be the most densely populated square mile on the face of the earth in the 1890s. City health inspectors called the neighborhood "the suicide ward" and referred to one particular tenement-in an official Health Department report, no less-as an "out and out hog pen." Diarrhea epidemics raged each summer, killing thousands of city children. Sweatshop babies with smallpox and typhus dozed in garment heaps destined for fashionable Broadway shops. Desperate mothers paced the streets to soothe their feverish children, and white mourning cloths hung from every building. A third of children living in the slums died before their fifth birthday. By 1911, the child death rate had fallen sharply and The New York Times hailed the city as the healthiest on earth. In this witty and highly personal autobiography, public health crusader Dr. Sara Josephine Baker explains how this remarkable transformation was achieved. By the time she retired from the New York City Health Department in 1923, Baker was famous worldwide for saving the lives of 90,000 children. The public health programs Baker developed, many still in use today, have probably saved the lives of millions more. She also fought for women's suffrage, toured Russia in the 1930s, and captured "Typhoid" Mary Malone, twice. She was also an astute observer of her times, and Fighting for Life is one of the most honest, compassionate memoirs of American medicine ever written.
