Poisoned Pen Press, United States, 2015. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. Kate Turner is happy with her new life in Oak Falls, upstate New York. Working as a relief veterinarian at a small house-call practice, she truly enjoys helping her patients. All that changes when client Claire Birnham is found dead, an apparent suicide. A talented artist, Claire had everything to live for: new job, Manhattan apartment, her Cairn terrier Toto. As feisty as the Wizard of Oz Toto, he and Claire were devoted. Kate can't imagine Claire simply abandoning her pet. Was her death murder? Questions end in the police arresting young kennel helper Eugene. The fragile friendship between Kate and police officer Luke Gianetti frays as she ignores his advice and keeps asking questions. House calls provide gossip and clues, some helpful, some not so much, as she treats her animal patients. Did Claire's recent insurance windfall prove too tempting for her hard working and hard drinking mother? What does trouble in the art gallery where Claire worked signal? How huge a grudge did heavy metal rocker A.J. hold against high-school sweetheart Claire after she dumped him? Was Claire a threat to AJ's rich new girl? Dr. Kate mixes real medicine with murder as she risks her life over Claire's death, aided by insights from a former fire investigator, aka her Gramps. Unleashed is as irresistible as Muzzled.
