Brand New Book ***** Print on Demand *****.Excerpt from Latin Grammar for Schools and Colleges: Founded on Comparative Grammar Our aim has been to prepare, within moderate compass, a complete Latin grammar, to be used from the beginning of the study of Latin until the end of a college course. The whole has been composed from our own point of view, and is, in all essentials, a new and independent work. But we have used freely the standard authorities, as well those of the older scholastic as of the newer critical and scientific schools. In several points, particularly the topical arrangement of the Syntax, we have followed the outline sketched a few years ago by Professor Allen, of the University of Wisconsin. We have endeavored to adapt the scientific (philological) method of inflection by stem and termination to the system used by the Romans themselves and handed down by general custom to our time. While the five Declensions are retained, with the old distinctions on which they are founded, at the same time the true philological difference, that of stems, is fully exhibited as...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
