## The Cradle Is Empty

By Teri Geraci

America Star Books, United States, 2010. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Dear Reader: It s been my sincere desire to share these experiences with you to give you some insight into what you re feeling, and share your pain. Regardless of the kind of loss you sustained, your pain can be overwhelming and debilitating. The people in your life who love you are probably very supportive, but unless you have someone who has walked the same road with you, you may feel very isolated. When my son died, it felt like the world had shattered into a million pieces and I was clueless as to how to put them back together; how to feel like a whole person again. The answer I found astonished me; there was no way I could fix it by myself. I had to let God be God in my life and allow Him to put the pieces back together. Please join me on this incredibility difficult journey and let my story inspire you to come out and rejoin the human race. The sun will come out tomorrow!.
