

Fundamentals of English Grammar and Composition

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

FUNDAMENTALS OF ENGLISH GRAMMAR AND COMPOSITION

Randall House Publications, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Designed to address the needs for a college course in traditional English grammar from the conservative Christian worldview. This textbook spends a great deal of time also discussing the construction of good paragraphs. Then it moves on the essays, looking especially at the expository essay, the persuasive essay, and the examination essay-answer (the three types of essays written most often in college classrooms). Finally, there is a thorough instruction on the research paper, using the traditional Turabian format.
