Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.My poetic ancestral journey from my Wulfrunian upbringing to The Kingdom of Fife in Scotland. Inspired by the land of my late dad, a Fifer who met my mother in Aldershot Military Hospital in the late 1940s, married and settled in Wolverhampton. Fife was to become part of my life, walking the Fife Coastal Path and climbing the Lomond Hills, whilst searching my Scottish family roots. From the inland villages of Collesie and Ladybank, to coastal towns of Kirkcaldy and St Andrews then over the Tay to Dundee, another ancestral home. Being where my dad and his forefathers may have worked and lived gave a great inspiration to the writing of this book. All this and more in picture, story and ode by this man of thought and sometimes thoughtless Wulfrunian.
