Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

TIME AFTER TIME

Random House USA Inc, United States, 2009. Paperback. Book Condition: New. 172 x 102 mm. Language: English . Brand New Book. New York Times bestselling author Kay Hooper spins a tale of ageless love and the power of fate, in which dreams from the distant past imperil one woman s search for a passion that transcends history. They first met in a darkened loft, in the middle of a blackout, but the power of attraction supplied all the juice that Alex Bennet and Noah Thorne required. Noah was Alex s match in every way, while the onetime lion tamer turned world-class interior designer possessed just the air of wildness that Noah preferred in a woman. Inexorably, they found themselves drawn together. So why was each haunted by dreams of the other that seemed to hint at secret lives in bygone times and places-and a relationship fated to end in separation? For Alex, the solution may lie in a Gypsy fortune-teller s prophecy. To repeat the past is the one thing neither of them wants-but how do you overcome the pull of a destiny that is stronger than time itself?.
