Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Plane Geometry: I. Abridged and Applied; II. College Preparatory In separating this text book on Plane Geometry into two parts, the Authors have followed what appears to them to be a normal and logical requirement essential to a proper presentation of the subject, and the most appropriate reference to these divisions would seem to be a designation of them as a First Study and a Second Study. In the former, the objective is to afford a general view of the subject, with emphasis on applications, the study being intended for the use of all high school pupils, and the material is so presented as to make it available also for use in junior high schools. The Second Study is devoted to a more intensive treatment of Plane Geometry, with special emphasis on theoretical work, and is addressed particularly to Regents and college entrance requirements. In the entire text the inductive method is followed as far as practicable, and simplicity is gained rather by the means of scientific accuracy than at its expense. In...
