NEW SAXON SERIES IN DEMAND. Following the announcement of new series Saxon six-cylinder and four-cylinder cars the Saxon Motor Company, of Detroit, has begun quantity shipments of both these models, and dealers all over the country are rapidly being supplied to take care of the large number of orders for quick delivery. It is expected that practically every one of the hundreds of Saxon dealers will have a demonstrator by October 10. At the close of the month of September, which was the largest in the history of the Saxon company, there were on hand orders for more than 3,000 cars. Dealers have been writing and wiring, and in some cases making personal visits, to secure greatly increased allotments, declaring that they have sold many cars merely on specifications. NEW REGAL WINTER CAR. One of the newest winter cars to make its appearance comes from the Regal workshop. They are equipping their eight and light four with a detachable sedan top which has been built especially for these two Regal models. Mr. Pierce, sales manager, in discussing the new top to a gathering of field men, said: I believe the last barrier to winter driving has been broken down. First they didn't drive because to start a cold engine was as much as your life was worth. The starter now on the car and a detachable top for winter use the owner can use its car the year through. The...
