Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

Regent College Publishing, US, United States, 2003. Paperback. Book Condition: New. 234 x 151 mm. Language: English . Brand New Book ***** Print on Demand *****.Western society is in a crisis: all of us want to be free, but many do not know what true freedom is, much less how to achieve it. Even within the church differing views about the authority of Scripture and its role in Christian life and thought have left split some denominations and left others on the verge of schism. In *Freedom Authority*, J.I. Packer shows the true nature of freedom and the only way to experience it. True freedom, writes Packer, is found where Jesus Christ is Lord in living personal fellowship. It is under the authority of a fully trusted Bible that Christ is most fully known and this God-given freedom most fully enjoyed. If therefore we have at heart the spiritual renewal for society, for churches, and for our own lives, we shall make much of the entire trustworthy--that is, the inerrancy--of Holy Scripture as the inspired and liberating Word of God. J. I. Packer is Board of Governors Professor of Theology at Regent College in Vancouver, British Columbia. Dr. Packer is author of many books, including *Knowing God*, *A Grief Sanctified*, and *Keep in Step with the Spirit*.
