GROWING UP WITH BOB

Llumina Press. Paperback. Book Condition: New. Paperback. 292 pages. Dimensions: 8.8in. x 6.0in. x 0.8in. Of eleven grandsons growing up in 1950s rural Alabama, Bobby and the author were the only boys without brothers or sisters. They bonded very young, and Bobs amazing feats even as a young man, so impressed his cousin, that he began keeping a record. Bobby was a pilot, an explorer, a scuba diver, a businessman, an instructor of life, and most of all, a very humble and caring individual. This biography takes readers on an exciting ride. . . from acrobatic airplanes, to adventures at sea, to restoring and flying old planes, and into the fall and winter of Bobs life as a young senior citizen. It concludes with his dynamic departure from life on Mother Earth. The author recorded these events over a period of fifty years not as a simple record of death-defying feats, but as a story of a life well lived. In the end, Bob defeated the grim reaper time and again, but finally lost the war to Parkinsons disease, making a most eloquent departure from this world. Growing up with Bob is a tribute to brotherly love, humility, and the power of never giving up all wrapped up in one unique life. It is my hope that many readers will keep a copy of this book handy for when life throws one of those knockout punches. About the Author: With nine years difference in their ages and a world of difference in their abilities and motivation, the stage was set for Darrell to be the Little Brother, a title which followed him throughout his life. Darrell is a Chief Information Officer for the Federal Government. He is a retired colonel, Army aviator, war veteran, and has served in civilian and military...
