Anness Publishing. Board book. Book Condition: new. BRAND NEW, Look and Learn with Little Dino: Action Words, Jan Lewis, Follow Little Dino and all his prehistoric pals as they help you to understand action words in this chunky, soft-to-touch boardbook. This interactive book has been specially designed for young children and adults to enjoy together, with a wipe-clean cover and sturdy board pages. Each action is demonstrated by Dino and his friends, including related words such as eat and drink, jump and walk, and push and pull. You can learn the words, repeat the actions, and have fun! There's no need to be afraid! Little Dino, the young Tyrannosaurus, isn't at all scary, unlike the dinosaurs you may have seen in the movies. His friends are very nice, too - including a smiling Pterosaur, a bright red Triceratops and a blue Brontosaurus. There's no need to be afraid of learning new words, either, because Dino and his chums are here to help you by showing you what they mean. Some of the words are related, such as throw and kick or hold and carry. Some of them are just for fun, such as fly and sit or paint and climb. Happy reading!.
