Futuristic Romance Series Installment: Lords of the Var Part of the Dragon Lords A simple mistake. . . Captain Samantha Dorsey and her crew are on a mission, a mission to complete a Galactic Scavenger Hunt and claim the prize money. Flying about space for a year collecting their items, they only have one thing left to get--a primitive wild beast. Drunk and feeling like some fun, Sam and her crew fly to Qurilixen to finish their collection by snagging a white tiger. Only the next morning, severely hung over, Captain Sam realizes that they got more beast than they bargained for. They kidnapped a warrior Prince. A royal destiny. . . Prince Falke, Commander of the Var Armies, is a man raised to fight. Out of all the Var Princes, he alone must be the hardest. When the beautifully frustrating female Captain kidnaps him, no one knows where to come looking. Now it's up to Falke to use all his training, and powers of seduction, to find his way back home.
