A APPLE PIE - ILLUSTRATED EDITION

Createspace, United States, 2014. Paperback. Book Condition: New. Illustrated. 132 x 104 mm. Language: English . Brand New Book ***** Print on Demand *****.The Apple Pie ABC is a simple rhyme meant to teach children the order of the alphabet and relates the various ways children react to an apple pie. After the first line, A was an apple pie, the rest of the letters refer to verbs. The earliest printed versions, dating from the 18th century, have the following form: A was an Apple pie; B bit it; C cut it; D dealt it; E eat it; F fought for it; G got it; H had it; J joined it; K kept it; L longed for it; M mourned for it; N nodded at it; O opened it; P peeped in it; Q quartered it; R ran for it; S stole it; T took it; V viewed it; W wanted it; X, Y, Z, and ampersand, All wished for a piece in hand. At that time the writing of the capital letters I and J, and of U and V, was not differentiated, which explains the absence of the two vowels.
