Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

Pajama Press. Paperback. Book Condition: New. Paperback. 216 pages. Dimensions: 8.0in. x 5.8in. x 0.6in. When twelve-year-old William Alton and his father sail from England for new opportunities on the Empress of Ireland, they leave behind the graves of his mother and baby sister. Will only hopes they will leave death and disease behind them too. But a shipmate's baby falls ill and is forced into quarantine on Grosse Ile, and when they finally arrive in their new home, they discover that Will's Uncle Charlie is in the hospital. Why must everyone around him get sick and die? A competition at Will's new school offers an answer and a challenge. In 1912, cities around the world declare war on the fly, blaming it for the spread of the diseases--summer complaint, typhus, consumption and typhoid--that are wiping out families. To avenge his mother and his sister, Will throws himself into the local fly-killing contest. But when his snobbish classmate Fred Leckie uses his wealth to give himself an advantage, Will's own ingenuity and determination might not be enough to win. Can he beat Fred without cheating? How much does it matter? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
