Word Unlimited, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2010, Dr. Wendy Flint was required to travel by flight every week for an executive sales job. As soon as the plane would reach 30,000 feet, the Holy Spirit would birth a prayer in her spirit. Five or six prayers would rapidly flow from her pen then stop. This continued on 20 roundtrips (40 flights) until she had 200 prayers. This book is more needed now than ever before in the history of workplace America. Christians are enduring persecution, ethical dilemmas, lawsuits and incompetent leadership in greed-driven organizations. Yet, in the worst of companies, God wants to be Lord and He does that through his people. One scripture and prayer a day can make a huge difference in accessing the wisdom and strength we need to stand strong and to let peace prevail. Corporations, hospitals, governments, and schools are high-pressured and stress-filled, but if we abide in Him through His Word and a moment of prayer, He will abide in us. Also included in this book are Workplace Wisdom devotionals that were written in Wendy s journal and then sent by email daily to over 1000 Christians throughout the United States.
