Brand New Book ***** Print on Demand *****.Crochet Basics How To Read Crochet Patterns 30 Easy Steps For Getting Started Your Crochet Project If you re interested in crochet or getting started with crochet then this is the perfect book for you. It can be difficult to get started with something like this because there are a lot of steps involved. But there are actually a lot of easy steps. You don t need to put a lot of hard work or effort into the process because you ll find that it takes very little to achieve a basic understanding. What you need to do is make sure that you are reviewing each of the steps until they become second nature (it won t take long). But that s exactly what we re going to help you do throughout the course of this book. What we want to do is get you started on the path to creating your own projects and fun with crochet. You ll be able to create anything from baby blankets to hats and scarves and even more if you take...
