Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Future: A Critical Inquiry Into the Scientific Value of the Alleged Evidences That Man's Conscious Personality Survives the Life of the Body In my position as editor of The Humanitarian Review - a magazine professedly devoted to the study of [among other things] mind and psychic phenomena - I had been often asked by correspondents to state my belief, or my opinion, as to the existence of a human spirit entity and of a future life after death. But, considering mere belief and opinions of little importance, I preferred not to publish any response until I could have time to make a deliberate, well-considered, comprehensive statement of the facts and principles upon which my belief and opinions rest, as of immeasurably more importance to others than such belief and opinions themselves. At length the requests seemed to merge into demands, and I decided to publish a short series of articles, in response, in The Review, but not so comprehensive in scope and minute in details, because of limited space in the magazine, as...
