This multibillion dollar metacorporation employs people who can control electromagnetic energy through sheer will - psions. Headquartered in the heart of the fascist Federated States of America, Orgotek works to return the once-great nation to its former democratic and capitalist glory. In America Offline, discover the true agenda of Orgotek, the Electrokinetic Order. Learn how to control electricity - from hacking into a computer network to seizing control of a person's synaptic relays! See the extent of the Federated State's government's iron grip on North America. Discover the rebels who work subversively within the system and through warfare to reclaim freedom from Tyranny. America Offline includes: Expanded, full color source material on Orgotek and North America Detailed tips on playing an electrokinetic, including new psionic powers Revealing information of North American society and politics.
