iUniverse, United States, 2004. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. What, Where, and How Much were the key concerns of the author s life for the seventeen exciting years that he lived in the Far East. This epic journey started with him working for our Uncle Sam, sailing Chinese junks in the South China Sea. After leaving Uncle Sam, he started smuggling heavy boxes and people; money was hand-over-fist and a small fortune was banked. Honk Kong nightlife, with Long Dress Dancers and Sing Sing Girls was the tease of plenty of men, and every seaport town had its own specialty, offering Silk and Lace to the big spenders. You ll be able to read and feel the night breeze of Singapore and see the steam coming off the food carts of Buogy Street, as people watch the Playgirls on Parade. Returning to Hawaii, where he had grown up in poverty on a sugarcane plantation, the author became a successful real estate developer, developing many projects, several of which changed the skyline of Honolulu. Romances along the way led to heartaches, the pain of which led him to his next pursuit: poetry.the Sun Peeking stole the night. My Little Hummingbird sat on air.and happiness was a new pair of shoes and a Love Mate I didn t want to lose.
